Fiddler On The Roof

In the little village of Anatevka, Tevye, a poor dairyman tries to instill in his five daughters the traditions of his tight-knit Jewish community in the face of changing social mores and the growing anti-Semitism of Czarist Russia. It's universal theme of tradition cuts across barriers of race, class, nationality and religion, leaving audiences crying tears of laughter, joy and sadness. Its wonderful score by Jerry Bock and Sheldon Harnick, featuring songs loved the world over -- 'Sunrise, Sunset', 'If I Were A Rich Man', and 'Matchmaker Matchmaker' -- to name a few.
